WORK SUMMARY

Code My Mobile
Ux Designer | Sep 2022 – Sep 2023

- Conducted user interviews, surveys, and usability studies to understand user needs and behaviors.
- Analyzed and interpreted research findings to inform design decisions.
- Developed low-fidelity wireframes to illustrate the basic structure and layout of interfaces.
- Created interactive prototypes to demonstrate the flow and functionality of designs.
- Planned and conducted usability testing sessions to gather feedback on prototypes and designs.
- Designed visually appealing and intuitive interfaces that aligned with user needs and business goals.
- Worked closely with cross-functional teams, including developers and product managers, to ensure design feasibility and implementation.

Examarly
